

The screenshot shows a file download interface. At the top left, there is a blue folder icon with a white cloud inside. To its right, the text reads: "File was found and ready to download" followed by "updates 14-Nov-2015 4:00". Below this, it says "Fastest Source: useget.nl". A small note below that says "Click the download button and select one of the hard disk sources." There is a blue button labeled "Download" with a downward arrow icon. To the left of the button is a rating of 5 stars and the text "6.8". To the right of the button is the text "secure sources". Below the main content area, there is a message: "You need to log in before you can post comments." At the bottom, there are three icons with labels: "Navigation" (a list icon), "Registration" (a document icon with a plus sign), and "FAQ" (a question mark icon).

Cuando termine el fin de semana ¿Quieres que te lleve a una fiesta, una manera de celebrar el fin de semana? Siempre hay una fiesta de fin de semana, pero a su vez hay un fin de semana de fiestas. ¿Que quieres celebrar? Te estoy hablando de hacer historia. Q: A series with odd terms. Suppose we have a sequence of natural numbers $\{x_1, x_2, x_3, \dots\}$ such that for each n in \mathbb{N} , x_n is odd. What can we say about that sequence? I have a feeling it must be either divergent or x_n must approach to 1. What is the proof for this? A: Say $x_n = 1 + 2^k + 3^{2^k} + \dots$ (Note that we can write this as a geometric series with alternating ratio). Then the geometric series with alternating ratio diverges (since x_n is odd and 2^{2^k} is even). So this series diverges. SUBSCRIBE: Algerian journalists face limitations in reporting on rise in violence Human Rights Watch (HRW) The voice of the other Algeria A hundred thousand Algerians have taken to the streets in just under a year. The bloodiest of these uprisings was in November 2010, when a wave of protests led to the deaths of 43 demonstrators and scores of injured. More than 1,300 people have been arrested, including President Abdelaziz Bouteflika himself. Those arrests continue to this day. The authorities have sought to isolate the youth of Algerians by making life more difficult for them. They will probably step up efforts in this regard if the past few days are any indication. On January 7, the Minister of the Interior described a planned "carnival" as "some kind of indigenous gathering." The "carnival" was a large-scale demonstration expected to take place in Algiers, organized by the youth wing of the UGTA (Union des Associations Ethniques du Tiers-Monde [UATM]), on Friday, January 12. Under Algeria's emergency law, unlicensed public demonstrations
